

Before We Begin

Interior

How to Prep Your Interior

- Remove all decor from the walls
- Remove knickknacks from furniture
- Secure pets away from project area
- Remove pet and child gates

How We Prep for Interiors

- Move furniture
- Remove drapery (we'll reinstall it when we're done!)
- Use fresh plastic for every project
- Remove switch and outlet plates (we'll put them back)
- Texturize, if requested
- Fill nail holes and cracks
- Caulk cracks along doors, baseboards and ceiling crowns
- Scuff, sand and clean wood
- Remove wallpaper

Exterior

How to Prep Your Exterior

- Turn off sprinklers
- Remove wall hangings and plants
- Secure and clean up after pets

How We Prep Exteriors

- Power wash to remove sand, dirt and mildew
- Remove loose paint
- Prime bare/new wood
- Caulk windows and entrances
